GTS's ANNUAL PREVENTION PLUS MAINTENANCE AGREEMENT

Heating and cooling systems have a way of breaking down when the weather is at its worst - on the coldest night of a frigid winter, or during a sizzling summer heat wave. Times when your comfort system must work the hardest, and when you need it the most.

An Annual Prevention Plus Maintenance Agreement helps *avoid breakdowns* and *protects & prolongs* the life of your equipment.

GTS has been providing quality heat & air service and installation to Hot Springs and surrounding areas since 1994

BENEFITS YOU RECEIVE

- Preferred Customer Service & Scheduling
- 21 Point Tune-Up/Inspection Twice a Year
- No Overtime/After Hours Charges
- 10% Discount on Parts & Labor
- First pound of refrigerant free at maintenance
- Filter Inspection (filters not included)
- Energy Savings
- Prolong Equipment Life
- Complete record of maintenance history
- Serviceman familiarity with your system
- Peace of Mind

Annual Residential Prevention Plus Program Rates

1 System	\$139.95 a year
2 System	\$251.84 a year
3 System	\$377.76 a year
4 System	\$503.68 a year

**Price includes tax and DOES NOT include filters.*

Prevention Plus Agreements are transferrable

For Non-Prevention Plus Program Customers a One-Time Seasonal Maintenance is \$79.95 for the first system (\$69.95 for each additional) but does not include the benefits listed above or the 1st lb of free refrigerant.

Call for an Individualized Commercial Prevention Plus Program Quote for your business.
